

PA Blueprint Ancillary Materials

for the *Blueprint for Intervention:® Phonological Awareness*

Manipulatives Kit for the PA Blueprint

Manipulatives can be easily and neatly organized in the customizable carrying case.

65 laminated mats (not pictured) are also included.

The **Manipulatives Kit** is the companion to 95 Percent Group's teacher's guide *Blueprint for Intervention: Phonological Awareness* and includes:

- ◆ 65 mats (13 mats, 5 copies each)
- ◆ 184 brightly colored shapes (squares, rectangles, circles, and special shapes for onsets and rimes)
- ◆ 969 full-color picture cards

All mats, shapes, and picture cards are laminated and printed on heavy card stock. Picture cards and shapes are printed on die-cut 8½" x 11" sheets. The perforated shapes and picture cards are easy to punch out. The plastic case with dividers and labels makes it easy to organize materials for each subskill.

- ◆ **Easy to assemble:** About 30 minutes to assemble one kit
- ◆ **Sturdy plastic case:** With customizable dividers for quick access to picture cards for specific skills
- ◆ **Laminated, perforated picture cards and shapes for teacher and students:** Easy to punch out and organize; skill number printed on back of each picture card for easy resorting
- ◆ **Laminated mats for teachers and students:** With color-coded directionality arrow on each mat

Magnetic Manipulatives for Modeling

The **Magnetic Manipulatives for Modeling** are ideal for teachers who wish to use magnetic whiteboards during modeling of the *PA Blueprint* subskills. This product includes all the magnetic picture cards, shapes, and mats that the teacher uses during the I Do and We Do modeling cycle of each *PA Blueprint* subskill.

- ◆ 13 magnetic mats
- ◆ Magnetic picture cards and shapes for the I Do and We Do sections of each subskill.
 - ◆ In small print in the lower right corner of each magnetic picture card is the skill number it corresponds to.

The cards and shapes are easy to punch out and organize and can be used in conjunction with the *Manipulatives Kit* mentioned to the left. The magnetic pieces fit into the plastic carrying case along with the materials included in the *Manipulatives Kit*.
